

30th Anniversary Quilt for Heritage Quilters Guild of Napanee

This quilt was designed exclusively for the use of members. Please do not share!

Guiding Principles:

Everyone who participates should be making (at least) 30 different blocks. Many are very simple, especially in the first few months. It's a great place to use feature fabrics, or made fabrics, for those who are more advanced. There are also more complex blocks, provided later in the process.

There are MULTIPLE options for layout, with and without border blocks, so that everyone who participates will be creating their own unique quilt, but will also be making the "same quilt", because the blocks will be specified. You can omit blocks you dislike, and several methods for applique/curved blocks will be provided. You are also free to choose your layout (although several options will be given), as well.

The Blocks:

The following blocks will be provided:

- 30 sampler blocks, in 6" and 12" sizes
- 15 border, corner, and signature blocks, in 6" and 12" sizes

Schedule:

- Sept-Jan: 6 sampler blocks per month, arranged by type per month
 - Sept: 6 with just squares/rectangles
 - Oct: 6 with HSTs
 - Nov: 6 with QSTs, triangle-squares, and/or flying geese
 - Dec: 6 applique blocks, plus applique label block
 - Jan: 6 'challenge' blocks, plus pieced label blocks
- Feb-May: each month:
 - 1 border block (but make 4 or 8), 1 applique corner block, 1 pieced corner block

NOTES:

You have the option to add sashing, and/or add a solid stop-border and/or outer border(s), in addition to using/not using border blocks. Layout options will be provided in November.

Colour choices/fabric styles/etc. will be up to the individual member makers. **No yardage/fabric requirements are being presented** as there are too many options. Scraps are recommended, in keeping with the original quilt. Otherwise, a fat quarter bundle and several yards of background might be a good starting point. A pieced backing is also recommended. It's a great place for the label block, if nothing else.
